PROFILE

I am a fresher seeking a challenging position in a reputed organization where I can utilize my skills and knowledge in cybersecurity. My goal is to contribute to the success of the organization while gaining professional experience and achieving personal growth. In the long term, I aim to achieve financial stability and establish my own home.

CERTIFICATIONS

- Capture the flag (CTF)
- Workshop on **Generative AI**
- **Paper Presentation:**
 - Robotics
 - Network Scanning

ACHIVEMENTS

- Won **3rd prize** in PPT conducted by Mahendra Engineering institution(Namakkal)

ACADEMIC PROJECT

Port Scanning in python:

Designed and implemented a Python-based port scanning tool with a graphical user interface (GUI). This project highlights proficiency in Python programming, networking concepts, and GUI development for user-friendly cybersecurity applications.

STRENGTH

- Eager to learn and grow professionally.
- Strong problem-solving skills and adaptability to new technologies.
- Committed to delivering quality work and meeting deadlines.
